Re: Scores/MMHL fundraising program

Dear MMHL Member Families,

The new Scores restaurant at Winston Churchill and Argentia Rd is proud to be a sponsor of the Meadowvale Minor Hockey League. For those of you who are not familiar with Scores, we are a chain of family-style Chicken and Ribs restaurants that feature a large "All-You-Can-Eat Soup, Salad, and Fruit Bar; perfect for those with healthy appetites. Our motto is there's "Always More at Scores"; more food, bigger portions, and more fast & friendly service.

As a sponsor and member of the Meadowvale community, we have worked with the MMHL to develop an easy fundraising program that allows you to raise money for the organization while dining with family and friends. Every time a MMHL member dines at Scores (or orders Take-Out) 2% of the bill before tax will be donated to the MMHL.

How it Works:

- Each MMHL family will receive a Score's Community fundraising card (attached)
- When you dine at, or purchase take-out from Scores, show the waitress or waiter your Scores card.
- Your copy of the receipt will be signed by one of our Restaurant Managers.
- Save the signed copy of your receipt(s) and give them to Walter Heyden, throughout the season. (If you need your receipt for other purposes, please submit a photocopy.)
- MMHL will total the signed receipts at the end of the season, and submit them to Scores for payment.

We hope that you all come by and visit us for lunch or dinner. We have attached a copy of a flyer that describes our restaurant, and includes an offer for a FREE order of Garlic Cheese bread with the purchase of two entrées.

If you have any questions about this program, please contact Walter Heyden, Sponsorship Director at sponsorship@meadowvalehockey.com.

Sincerely,

The Scores Meadowvale Team
